

CLAIMS

What is claimed is:

1. A trim set attachment assembly comprising:
 - a trim set for covering a seat assembly;
 - 5 a mesh panel for supporting an occupant in said seat assembly;
 - a retaining strip attached to said mesh panel for securing said trim set atop said mesh panel; and
 - a tab extending from said trim set and secured between said retaining strip and said mesh panel, thereby securing said trim set in relation to said mesh panel.
- 10 2. The trim set attachment assembly of claim 1 wherein said tab comprises a trim piece seated within an anchor, said trim piece seating atop said mesh panel beneath said retaining strip for attaching said trim set to said mesh panel, and said anchor preventing said trim piece from sliding out from under said retaining strip.
- 15 3. The trim set attachment assembly of claim 2 wherein said retaining strip comprises a retainer extending from a base for securing said trim piece therebeneath.
4. The trim set attachment assembly of claim 3 further comprising a connector for connecting said retaining strip to said mesh panel.
5. The trim set attachment assembly of claim 4 wherein said retaining 20 strip further comprises a flange, said connector extending through said mesh panel and said flange to connect said retaining strip to said mesh panel.
